Application for Admission
Funeral Service

For admission into the program, all prerequisite, general education, and non-major core classes must be completed or in-progress at the time of application. This is an entry requirement. If courses are in progress, acceptance will be conditional upon submission of an o cial transcript immediately upon completion. Developmental courses cannot be transferred from other institutions. All requested documentation must accompany this application. Acceptable documentation is indicated for each prerequisite.

All students must successfully pass a background check and drug screen before o cial acceptance into the Funeral Service program will be granted. Forms are provided by program personnel Student acceptance is based on the top 20 applicants who meet admission criteria (see the FNS admission criteria point system in the academic catalog).
