As a Registered Nurse you can stay ahead in the health care field by enrolling in Goodwin University's RN-to-BSN Degree Completion program. With the increased demand for BSN graduates continuing to grow, now is the time for you to increase your experience and advance in your career.

We've designed our RN-to-BSN program around your busy lifestyle. The RN-to-BSN curriculum can be completed part-time in 12 months or uniquely designed to meet your specific needs. Graduates are prepared to practice in a variety of areas with knowledge and skills that are transferable to multiple settings.

With our fixed tuition model, you'll know the total cost of completing your BSN degree before you even start classes. Don't forget, there are many kinds of financial aid available to students, including grants and scholarships that don't have to be paid back, student loans that will have to be repaid, and work-study
